

1

00:00:05,633 --> 00:00:13,466

If you have never used refworks before and you want to get started in using the new version of refworks

2

00:00:14,033 --> 00:00:23,233

Navigate to <https://refworks.proquest.com>

3

00:00:23,466 --> 00:00:27,466

And then select log in with your institution's credentials

4

00:00:28,333 --> 00:00:32,333

Then select use login from my institution

5

00:00:32,633 --> 00:00:47,799

Search for Staffordshire University. And as you start typing Staffordshire University will appear and you can select Staffordshire University

6

00:00:48,700 --> 00:01:04,733

Then you use your student username & password to log into the resource

7

00:01:07,200 --> 00:01:20,500

Then you enter your university eMail address and select check

8

00:01:22,200 --> 00:01:50,233

Enter your first name, last name. You select your subject area. And then you select your role at the university

9

00:01:51,166 --> 00:01:55,166

Select next

10

00:01:55,633 --> 00:02:02,899

If you keep selecting next you go through some important features of the new version of reworks.

11

00:02:02,900 --> 00:02:07,000

And then select done

12

00:02:07,000 --> 00:02:11,000

You will then be able to start using the new version of reworks
