

## Studying At University

Podcast Available

Hello. My name is Soo Plant and I am an one of the Academic Skills Tutor at Staffordshire University.

We are sorry that a member of our Team cannot be with you today but we invite you to listen to this short video.

## Aims

1. Understand the importance of Academic Skills development
2. Meet the Tutors at Staffordshire University
3. Know how to access the online resources
4. Be able to contact us

Covered in this section will be:

List as above

## Keys to Success

Academic Skills development is one of the keys to success.

Students need to be confident that they can use the subject knowledge gained through lectures, workshops, tutorials etc, together with personal reading and research, and submit assignments which meet the marking criteria

### ie **What Tutors Want**

At Staffordshire University we have a team of experts but we do not have a crystal ball – you need to

# ASK

## Academic Study Skills Team

Here at Staffordshire University we have a team of experts.

Lets meet the team.

- Soo Plant (based in both Stafford and Stoke)
- Jane Ball (based in Stoke)
- Beverley Maynard (works in Stoke Monday and Tuesday)
- Liz Tomkinson (mainly Stafford but supports health students in Shrewsbury)

Student can use any of our main libraries and are welcome to arrange appointments to suit individual needs.

## Online Resources

Welcome to the Academic Skills Pages

Academic skills are essential for success at university and these pages are designed to help students to become efficient, independent learners.

Our resources have been divided into 5 sections: **Understanding, Preparing, Researching, Producing and Improving.**

The skills team has the expertise to make a positive difference to your learning.

Please take a look at our resources, if you require further information please contact us via email, web, phone or pop into the main libraries to see us.

Keep an eye on Blackboard for news about our latest workshops

What Students Say

Thank You -

Just want to say a big thank you for the help I have received from you over the last years. I have couple of more essays to do then I will be finished. If it wasn't for you with all the help and support I wouldn't have got this far. xx

Available at <http://libguides.staffs.ac.uk/academicskills>

Your first point of reference should always be your assignment guidelines.

If you require additional information in relation to academic skills we have a range of resources available online.

Demonstration of webpages.
